Catering Menu

Including our Family Meals

Updated August 1, 2026

You can build entire meals for your party or office luncheon at a very reasonable price.

We try and keep our Catering to a Full Pan and a Half pan, but we understand sometimes you may need a little more or a little less, please just ask. In many cases we will be able to honor your request and adjust the price slightly. Some things just cannot be prepared for a few people. Please see our family meals at the end of this menu as well. Those are designed for closer to 5 people, and we may be able to make substitutions.

Don't see what you're looking for? Just ask 724-843-9000.
We will do the best we can to accommodate your request(s).

Please try and give us 3 days notice for your order. Sometimes we can prepare it sooner, but other times we need to wait for our next delivery.

A 15% gratuity will be added to all catering and family meal orders to be shared amongst all of our staff that prepare and package your order.

These prices are for take-out only. Thank you!
